### C.O.D. FEE

C.O.D. packages are shipped by UPS only. There is an additional charge of \$5.50 for all C.O.D. orders (this fee is updated by UPS every February).

### HAZARDOUS MATERIALS

Several JAX Master Metal Finishing products are classified as hazardous by UPS. If you are ordering any JAX products that are hazardous (they are marked with an asterisk in the catalog on page 108), please include an additional \$15.00 to cover the UPS HAZMAT charge (this fee is updated by UPS every February). Hazardous materials must be shipped via UPS Ground Service. Orders that contain items considered hazardous by UPS will not be shipped C.O.D.

### DAMAGED or OPEN PACKAGES

Should a package arrive damaged or open, you must inform the driver and contact UPS or the appropriate carrier. Inspect the package with the UPS representative and remove any items that are undamaged. If the items delivered in an open box are undamaged and the order is complete, there is no need to return the package. If the order is incomplete or there is damage, UPS will return the package to Metalliferous. Remember to save EVERYTHING (including the shipping materials) so that we can determine what needs to be reshipped.

### INCOMPLETE ORDERS

Notify us within 48 hours of receipt of your shipment if your order arrives incomplete. Metalliferous makes every effort to ship complete orders; however, if you should receive an incomplete order: 1. Contact us. 2. Have the invoice number, item number and description of the missing item(s) ready before you call. A Metalliferous representative will check shipping records and attempt to resolve the discrepancy as quickly as possible.

### RETURNS

**Prior to returning any merchandise you must contact a mail order representative to obtain authorization.**

Merchandise must be returned to us within ten (10) days of receipt, in resalable condition, insured for full value, and shipped pre-paid along with a copy of your sales slip/invoice. Packages returned C.O.D. will not be accepted. Custom orders are not returnable. Before returning any items, contact us at (212) 944-0909; we will give you a Return Authorization Number. This number MUST accompany the returned item(s) and be written on the outside of the box (ATTENTION: Returns Dept.). Upon receipt of the undamaged, unaltered merchandise, we will issue a credit or a refund for the value of the merchandise (less a 10% restocking fee); shipping charges are non-refundable and do not count towards credit. Metalliferous reserves the right to determine whether any goods have been altered or damaged. Credit will be issued only upon our examination of the returned items.

# ALUMINUM

SHEET • WIRE • TUBE

**ANODIZED ALUMINUM** Anodized aluminum is aluminum that has been electro-chemically treated to form a hard oxide layer on the surface of the metal. The oxide is then treated with a dye, ink, or stain to obtain its color.
